Multi-Skilled Electrical / Maintenance Technician

ABP Bandon are currently recruiting a full-time Multi-Skilled Electrical / Maintenance Technician for their busy Abattoir and Boning Hall.

ABP Bandon is part of ABP Food Group which is Europe's leading privately owned agribusiness companies. We are Ireland's largest beef processor, and we also operate substantial renewable, pet food and protein divisions. We employ over 9,000 people at over 40 processing facilities around the world.

This is an opportunity to join a market leader in the beef sector who is growing the business beyond market expectations. A company that has a reputation as an excellent employer and people focused business.

Description:

The successful candidate will be part of the maintenance team with responsibilities for plant and machinery installation, problem solving, preventative and breakdown maintenance and the related documentation of the maintenance carried out.

This role is based Bandon, Co. Cork. The plant operates Monday to Friday with additional maintenance work required on Saturdays on a rotating basis.

Responsibilities:

- To carry out start up checks on machinery throughout the plant on a daily basis.
- Ensure that all breakdowns are carried out swiftly and safely at all times.
- Ensure that all servicing and maintenance throughout the site is done in an efficient, safe and hygienic manner.
- Smooth running of the factory.
- Repairs, servicing and good maintenance of machinery.
- Work on refrigeration, plumbing and all breakdowns is carried out in a safe and tidy manner.
- To implement and follow the preventative maintenance schedule.
- To ensure that records are completed.
- To ensure complete compliance with the Company Health & Safety Policy.
- Other duties as assigned.

The above job description is designed to give an appreciation of the main functions of the job. It is not intended to be exclusive or exhaustive.
