

Food Group

ABP Food Group is the UK's and Ireland's largest beef processor, and we also operate substantial renewable, pet food, and protein divisions. We employ over 11,000 people at over 35 processing facilities around the world. ABP Food Group is currently recruiting for QA personnel in Limerick, Wexford, Cork and Clones to join our busy team.

Applicant: The successful applicant should be self-motivated, hardworking, pays attention to detail and have good communication skills and qualified in a Science / Food related discipline. Experience of HACCP, GMP and Food Safety are desirable but not essential.

MAIN DUTIES AND RESPONSIBILITIES

- Develop and support quality improvement projects in response to complaints, RFT(cost of quality) issues, focusing on key drivers.
- Develop, implement and assist technical improvement projects in response to non-compliances exposed through audits to support resolution.
- Support validations of CCP's on site, in line with the introduction of new product into site, and the Food, Safety & Quality improvement plan.
- Support cleaning and allergen validations on site.
- Support the implementation of requirements of retailer standards.
- Support the internal audit programme and complete audits when required.
- Ensure Food, Safety & Quality incidents are effectively closed out.

QUALIFICATIONS AND / OR EXPERIENCE REQUIRED

- A degree or equivalent third level qualification in a Food Science/Technology discipline is a distinct advantage.
- Extensive knowledge of auditing, quality standards and systems, quality management techniques such as HACCP, Statistical Process Control and knowledge of food legislation and legal procedures.
- Ability to lead, motivate and develop a team to ensure high standards are established and maintained in the factory.
- Ability to make decisions by assessing facts and providing rationale for decisions made especially when these impact on the wider business reputation.
- Be responsive to business needs and objectives, flexible to change and proactive by anticipating the need for change.

- Ability to deliver projects against time scope and within budget.
- Good communication and interpersonal skills and the ability to react well under pressure.

This is an excellent opportunity for someone seeking a challenging career with one of the largest indigenous agri-business in Ireland. Please send your CV to recruitment@abpireland.com
